Ever since the first SBS Trailer was created in 1957, we have pushed expectations and design. Our trailers have enabled their owners to tow with confidence and launch and recover with ease. They are manufactured from exemplary engineering and construction techniques, which is why we are the recognised leaders in quality and assurance.

SBS, getting you safely from A to B to Sea.

WHY SBS IS GREAT FOR YOU

LONGEVITY

We are the longest established boat trailer company in the UK. As a result of this we have earned a strong reputation for quality and durability. Which in turn, has resulted in our trailers having the highest market residuals.

BUILD QUALITY

Our build quality is second to none. With a fully welded chassis, we are the only manufacturer to provide a lifetime warranty on the structural integrity of the chassis.

EXCLUSIVE ACCESS

As an SBS customer you will gain exclusive access to discounts, in addition to our technical support line.

WHAT IS A TYPE APPROVED TRAILER?

SBS was the first boat trailer company to achieve whole vehicle type approval back in 2011. The regulation passed into UK law in October 2012 and from that date all manufacturers had to comply.

There is also the National Small Series Approval's (NSS). This is for smaller manufacturers making to the UK standard.

What this means to you as a customer is that you can have confidence buying from a company with these approvals. As they are audited independently, they should operate a professional business, producing a credible product.

We hold both EU and NSS Approvals.

We primarily sell the full EU Type Approved trailer models. This means you are buying a trailer that is ready to be exported and registered abroad or indeed can tow with a local registered car after this process.

But more than that we have spec'd it with some additional equipment that we feel contributes to making the trailer a better, safer option than many alternatives.

Our EU trailers come with a higher specification and include:

- Side LED marker lights as well as a forward facing LED marker lights
- Integrated first level lock within the coupling head

These are all fantastic additions to an already well equipped trailer package.

However, if these features do not appeal to you or add value then please contact our sales team on 01902 754133 and they would be happy to quote for a lesser spec for a UK model.

Make sure you are comparing like for like when you look at other manufacturers as many quote a 'stripped down' version to keep prices low.

UNMISTAKEABLE DESIGN

SBS trailers feature a distinctive signature stripe, designed to enhance your trailer's contemporary appeal. Constructed to last a lifetime, your TVA trailer comes with a limited lifetime warranty as standard.

CHOOSE YOUR COLOUR

All our trailers can be powder coated or painted in any colour to match your boat or aesthetic.

CHOOSE YOUR WHEELS

We offer a range of wheel in various finishes, to ensure complete personalisation.

*Register your trailer within 1 month of purchase, to receive limited lifetime warranty.

TOW IN CONFIDENCE

All SBS Trailers are fully welded. This provides a stronger, stiffer, safer tow and is far superior to a bolt together trailer. We are the only manufacturer to offer a limited lifetime warranty.

SAFETY

With a removeable rear light board, reflectors, LED side markers* and forward facing white LEDs*, our trailers ensure you can see and be seen.

TYPE APPROVAL

All our trailers conform to the latest type approval legislation. SBS was the first manufacturer in the UK to be awarded type approval for both the UK and EU.

RDW

*UK/ EU model dependent.

OPTIONAL EXTRAS

Insurance approved wheel lock & hitch

We stock a variety of insurance approved hitch & wheel locks to fit different wheel widths. All wheel locks are easy to fit and insurance approved, to give you peace of mind and added security.

Floor secure eyes

Our floor secure eyes can be used for added stability and security of items during transit.

Door options

A variety of door options, including ramp or roller shutter, are available depending on model.

Streamlined mudguards & light housing

Streamlined mudguards and light housing can be added upon request.

Custom colour

Our TVAs come as standard on a blank white canvas, ready to be sign-written and ideal for pre-cut vinyl graphics or logos. Alternatively, we can make your TVA in any desired colour with costs from £250.
